# Alphabet quiz

Below are clues to 22 words, each starting with a different letter of the alphabet. The clues lead to answers in alphabetical order (although some letters are missing). Work out the words, then fit the words into the grid. Thick black lines show the borders between words. Careful, the answers do not fit into the grid in alphabetical order!

**Clues — E = English J = Japanese — The number after the clue indicates the letters in the answer.**
